Profile

Motivated IT professional with a Diploma in Software Development and currently pursuing an Advanced Diploma in Application Development at IIE Rosebank College. Experienced in technical support, troubleshooting, and maintaining IT systems in a fast-paced environment. Continuously developing skills in networking, printers, and system administration while strengthening software development capabilities. Passionate about technology, problem-solving, and continuous learning, with the goal of becoming a well-rounded IT specialist and developer.

Experience

ICT Technician

IIE Rosebank College | Johannesburg

Oct 2025 – Present

- Provide technical support to staff and students, ensuring minimal downtime and efficient issue resolution
- Troubleshoot and resolve hardware, software, and network-related issues
- Maintain and repair desktops and laptops, improving device performance and lifespan
- Install, configure, and support printers and office equipment (currently expanding expertise)
- Perform system updates, patching, and routine IT maintenance
- Assist with endpoint monitoring and deployments using SCCM and SCOM
- Support endpoint security using Microsoft Defender

ICT Intern

IIE Rosebank College | Johannesburg

Jun 2025 – Sep 2025

- Assisted with Windows system imaging and device deployment processes
- Performed system updates and patch management
- Supported basic networking tasks including DHCP and IP configuration
- Gained hands-on experience in IT support operations and troubleshooting

Brand Ambassador

IIE Rosebank College | Johannesburg

Jan 2025 – Mar 2025

- Assisted students with applications and financial processes
- Supported administrative, sales, and HR-related functions
- Provided customer-facing support and improved student experience
